
AI-Powered Planning • 50+ Cities

WhatNext

Discover what to do tonight — instantly.

WhatNext is an AI-powered planner that creates complete plans for date nights, friend hangouts, and weekend adventures using real places and events near you.

Stop scrolling through Google, Yelp, TikTok, and event sites trying to decide what to do. Just tell WhatNext where you are and what kind of night you want. Get a full plan in seconds.

HOW IT WORKS

Planning something fun shouldn't take an hour of searching.

1

Enter your location

Tell WhatNext where you're starting from.

2

Choose your vibe

Pick the kind of plan you want — date night, first date, anniversary, nightlife, day trip, or a full Saturday plan.

3

Get a complete itinerary

WhatNext builds a full plan using real places, events, and local spots so you don't have to figure it out yourself.

Dinner, activities, dessert, drinks — it's all planned.

SMART PLANNING FEATURES

WhatNext does more than suggest places — it builds a plan.

Real Places

All recommendations are real businesses and attractions.

Try It Now →

Google Maps Directions

Open any stop directly in Google Maps.

Live Local Events

Discover concerts, festivals, and things happening nearby.

Regenerate New Plans

Instantly generate a different plan if you want something new.

Save Your Favorite Plans

Create an account and save the nights you want to revisit.

Works Anywhere

Use WhatNext in your city or when exploring somewhere new.

WHY WHATNEXT IS DIFFERENT

Most apps just show lists of things to do. WhatNext actually plans the experience.

Instead of spending time jumping between apps trying to decide what to do next, you get a structured plan that flows naturally from one stop to the next.

From the first activity to the last stop of the night, the plan is already built.

Start Your Adventure →

Free to start. No credit card required.

Stop wasting time trying to decide what to do.

Let WhatNext plan it for you.

Discover your next night out.
